Ref.:- HPWWMA Letter no. HPWWMA/2026/ENGG(Civil)/193-C/7946 dated 22.05.2026 (copy enclosed)

On the subject cited above vide letter under reference, Haryana Pond & Waste Water Management Authority intimated that during visit and inspection of ponds conducted by EVC (HPWWMA), several site-specific issues such as garbage dumping, encroachments, drainage problems, and other local impediments require immediate coordination and intervention at the field level officers.

So, whenever the EVC (HPWWMA) visits/inspects the ponds, the concerned DDPO and Executive Engineer (PR) should accompany him during field visit that will guarantee seamless co-ordination between all stakeholders. In case, DDPO and Executive Engineer (PR) not available during visits/inspections, then concerned BDPO/SDO(PR) should accompany him.
